

Merchandising

Apply Now

Company: Louis Vuitton Malletier

Location: Belgium

Category: computer-and-mathematical

Position

IMPORTANT An internship agreement issued by an officially recognized educational institution is mandatory. This implies that you are and will be enrolled in an officially recognized educational institution throughout the whole period of your internship and that you have proof of your student status.

MISSION:

You will be part of the Merchandising Team of the Benelux & Nordics region and will have the opportunity to discover the Louis Vuitton retail world in the Brussels based head-office. You will provide operational support to the stores and will gain a deep insight of our network. You will learn how to follow a retail activity with high standards of performance and will enjoy the energy and spirit of a small but dynamic and multitask team.

MAIN ACTIVITIES:

Animate and monitor the store network (regular contacts with the stores in order to maintain a link with the head office and facilitate the exchange of information on the activity, share a common vision, etc.)

Participate to the preparation of retail activations as well as store openings

Provide regular feedback to HQ on products, customer behavior, competitors, business

Adapt tools (modelario, Cookbook,) to local needs for trainings, carvans, etc.

Participate in the creation and animation of trainings to stores and monthly calls

Follow the competition on a regular basis

To support the Merchandisers and Merchandising Managers in preparation, coordination or consolidation of any ad Doc reports, projects, events or

To provide support for any ad-Doc merchandising related operational duties

Profile
