The Job

Job Description:

In this job you will be reviewing online advertisements in order to improve their content, quality and layout.

You will be required to provide feedback and analysis on advertisements found in search engine results and provide ratings on their relevance to the search terms used.

Another aspect of this opportunity will involve reviewing the language used in advertisements by examining grammar, tone and cultural relevance.

The Profile

Residing in Belgium for the last 3 consecutive years

Must have native-level proficiency in English and Dutch to be able to effectively liaise with stakeholders in the region.

Access to and use of a broadband internet connection and associated computer and antivirus software to perform the work, all provided at your own expense

Experience in use of web browsers to navigate and interact with a variety of content

Access to and use of an Android (version 4.1 or higher) or IOS Smartphone (version 8 or higher) to complete tasks

A Barcode Scanner application must be installed on your smartphone to complete certain tasks

Active daily user of Gmail and other forms of Social Media

The Employer

Our client is a leading digital customer experience (CX) innovator that designs, builds and delivers next-gen digital solutions for global and disruptive brands.
