Company: Telus International

Location: Belgium

Category: arts-design-entertainment-sports-and-media

*TELUS International AI-Data Solutions partners with a diverse and vibrant community to help our customers enhance their AI and machine learning models. The work of our AI Community contributes to improving technology and the digital experiences of many people around the world. Our AI Community works in our proprietary AI training platform handling all data types (text, images, audio, video and geo) across 500+ languages and dialects. We offer **flexible work-from-home** opportunities for people with passion for languages. The jobs are **part-time** and there is no fixed schedule.*

### The Role

We're searching for individuals who are passionate about social media and regular users of Gmail. This remote position requires ownership and daily use of a smartphone and familiarity with various social media platforms and Google products. Your reliability, adaptability, and adherence to guidelines are key.

In this role you will have the opportunity to contribute to safer internet browsing by reviewing and filtering potentially sensitive and adult material.

Through this work you will be making a valuable contribution by expressing your opinion on the quality and content of what is currently out there on the web and protecting users from viewing unsuitable material.

This role offers **freedom to work remotely**, allowing you to set your hours based on

task availability.

**The estimated hourly earnings for this role are 15.32 EUR** per hour. Payment is based on completed tasks, with potential for higher earnings based on productivity. Selected candidates will be required to complete a minimum of 10 hours of work per week (task availability dependant).

### **Ideal Profile**

Proficiency in both written and verbal **English & Dutch**

Residency in Belgium for the past 5 consecutive years

Ownership and regular use of a smartphone (Android V4.2 or higher or iPhone running iOS version 14.0 or higher) and a desktop/laptop with internet connection at your expense.

Gmail as your primary email account

Familiarity with current and historical business, media, sport, news, social media and cultural affairs in your country of residency.

Experience in navigating web browsers and smartphone apps for content interaction.

Understanding of various social media environments, including memes, virality, and trends

Successful applicants will undergo a standard recruitment process, including a Dutch language test and an open book assessment. The role involves occasional quality assurance checks and offers long-term employment opportunities.

### **Perks & Benefits**

Earn additional income with flexible hours to fit your lifestyle

Better work-life balance

Be your own boss

Remote work & location independence

Complimentary well-being package, encompassing a wealth of well-being resources

Be part of an online community

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, or protected veteran status.

### What's on Offer?

Opening within a company with a solid track record of success

Opportunity to make a positive impact

Join a market leader within IT Services
