What you'll be doing

Job description

Are you flexible, enthusiastic and looking for a great job as a packer? read on quickly!

We are looking for an active employee for sorting and packing different types of fruit and vegetables. Think of weighing, checking for quality and putting it in boxes or bags.

You are responsible for providing customers with a good quality product. We offer a full-time job in a lively working environment.

Job requirements

For this job it is important that you have an eye for detail and respond to irregularities.

In addition, you can be flexible if you are asked to work an extra shift or at a different time.

You want to work with foodstuffs in a clean environment at a temperature of 12 degrees.

It is best to live in the Hoogstraten area and have your own transport to work.

Our offer

You will receive a good wage including a travel allowance.

We offer a full-time job in a lively working environment.

You will work in a varied and enthusiastic team.

There is the possibility to do overtime (150% paid)

Working in multiple shifts (no night shift)

With positive employment there is the possibility to receive a permanent contract.
