

## Pediatrician (relocation Belgium)

[Apply Now](#)

Company: JobFind.gr

Location: Belgium

Category: business-and-financial-operations

This exciting opportunity is in the pediatric department of a modern regional hospital in **Belgium** ! If yourself working there keep reading!

As part of this role, you will collaborate with six versatile pediatricians fostering collaboration with professionals from various specialties. The hospital boasts 1000 staff members and 350 approved beds.

### **Reasons for choosing this job as a pediatrician:**

Explore the chance to work as an independent specialist while relishing life and work in a picturesque area near charming cities and scenic Belgian Flanders.

Performance-based income of up to €200,000 gross per year (full-time)

Negotiable full-time or part-time working options

Indefinite contract

Flexible holiday arrangements

### **These are your qualities as a pediatrician:**

Demonstrate outstanding communication skills when interacting with parents and families, showcasing both empathy and adaptability.

Possession of an EU-recognized specialist degree in pediatrics (Last year's residency is also welcome).

EU/EEA nationality.

Upper-intermediate English proficiency level (B2).

Willingness to learn Dutch with the support of a dedicated language academy.

### **Take the first step with Care Force!**

With over 20 years of experience, our team has earned a strong reputation for connecting European medical professionals with exciting job opportunities in the Netherlands and Belgium. We specialize in making the application process easy, providing assistance with important documents and accommodation, and offering Dutch language courses for non-Dutch speakers. Trust Care Force to help you discover your dream job and ensure a seamless transition abroad.
