

## Project Director (CSA or MEP)

[Apply Now](#)

Company: Quanta part of QCS Staffing

Location: Brussels

Category: computer-and-mathematical

### **Project Director (CSA or MEP) - Data Centres - Brussels - 13-Month Contract**

Our client is a well-known brand operating in 65+ countries and has worked on some of world's largest mission critical and infrastructure projects. This client has aggressive growth plans and are one of the top 5 largest design and consulting firms in the world.

The data centre arm of the portfolio is a vital and growing area of the business; therefore, our client is always looking for the best talent in the market – and they are looking for a Project Director (CSA or MEP).

The Project Director will act as the key, day to day client interface, ensuring that client objectives are not only met, but exceeded wherever possible and that projects are delivered to time and cost targets and the appropriate high level of quality, sustainability, and safety standards.

You will lead a multi-disciplinary team and drive performance through design development, permitting and approvals, procurement and ultimately construction.

#### **Responsibilities/Requirements:**

Previous experience of leading a multi-disciplinary site team including commissioning lead, electrical and mechanical leads and CSA leads

Previous experience of leading large mission critical or industrial projects (data centres preferred)

Strong communicator and a history of being client facing / the key point of contact on site

Providing daily and weekly progress updates to the end client

Solid leadership skills with the ability to motivate and drive staff and sub-contractors

Background in CSA or MEP works

Full project life cycle experience from design through to handover

Experience of managing the construction phase of a project

Fluency in French and English (Preferred)

Experience of Belgian projects is highly beneficial

Knowledge of local laws, legislations and supply chains is advantageous

Rights to work in Belgium or an EU passport

**If this role is of interest to you, please apply now!**
