

PROJECT MANAGER | AUTOMATION | METALLURGY

[Apply Now](#)

Company: Fuse Engineering

Location: Brussels

Category: computer-and-mathematical

Client details

Our client, a renowned engineering firm in the heavy industry sector, is seeking a talented Automation Project Manager to join their dynamic team. With recognized expertise and a solid reputation, our client offers a stimulating work environment and opportunities for professional growth.

Description

As an Automation Project Manager, you will be responsible for managing and executing automation projects in the heavy industry field. You will lead the entire process, from design to implementation, ensuring that projects are delivered on time and within budget.

Key Responsibilities:

- 1 . **Project Management** Lead the planning, execution, and monitoring of automation projects.
- 2 . **Coordination** Collaborate with internal and external teams to ensure efficient project execution.
- 3 . **Design and Development:** Contribute to the design and development of innovative automation solutions.
- 4 . **Budget Management** Track budgets and costs throughout the project lifecycle.
- 5 . **Risk Management** Identify and mitigate potential risks associated with projects.

6 . **Communication:** Ensure clear and regular communication with all stakeholders.

Profiles

Proven experience in managing automation projects, preferably in heavy industry.

Strong leadership, time management, and communication skills.

In-depth knowledge of automation technologies and control systems.

Ability to work effectively in a dynamic and evolving environment.

Proficiency in English and Dutch/French.

Offer

Professional Development: Growth opportunities and ongoing training in a rapidly expanding field.

Stimulating ProjectsContribute to cutting-edge automation projects in heavy industry.

Collaborative EnvironmentWork within a highly skilled and motivated team.

Company Culture: Focused on excellence, innovation, and quality.

Competitive Package:Attractive remuneration and benefits.

If you are passionate about automation and seeking a stimulating opportunity to advance your career in heavy industry, apply now to join our client and contribute to internationally renowned projects! #AutomationProjectManager #CareerOpportunity #HeavyIndustry
