Join our dynamic team as a Purchasing Specialist!

Are you passionate about the construction industry and have a keen eye for quality? TVH, a (leading) provider in the earth moving machinery sector, is seeking a Purchasing Specialist to join our vibrant team. This is your chance to play a pivotal role in sourcing and procuring the finest spare parts for small earth moving machines.

Your role and responsibilities

Evaluate and select suppliers to develop a robust supplier portfolio.

Monitor stock levels to ensure uninterrupted supply for our market demands.

Assure quality of spare parts, maintaining our commitment to excellence.

Negotiate prices to provide our clients with the best deals without compromising on quality.

Provide support to clients, enhancing their satisfaction and loyalty.

How to succeed / Your profile

Proven experience in purchasing, preferably in the earth moving or related industries.

Strong negotiation skills and the ability to build lasting relationships with suppliers.

A strategic thinker with excellent organizational skills.

Commitment to quality and a detail-oriented approach.

What's in it for you

A competitive salary with benefits such as meal vouchers and insurances.

Flexible working hours, home working and a healthy work-life balance.

20 paid vacation days and 12 WTR days.

An easily accessible work location (but remote work is also possible).

A people-centric culture where your fitness and mental well-being matter.

Lunch breaks and sports facilities in TVH Park, the company's green zone.

Access to LinkedIn Learning and many in-house (and external) training courses.

Fun afterworks and other optional events (e.g. TVH Kaffee).

People are at our heart

TVH is a global business with a family atmosphere, where people are at the center. We value clarity, mutual respect, kindness and open communication. Our people are down-to-earth, easy to work and engage with. We welcome differences and celebrate new ideas.

About TVH

TVH is a parts specialist for quality parts and accessories for material handling, industrial vehicles, and construction and agricultural equipment. Working at TVH is opting for a company that excels as an international market leader and is well-known for its unstoppable craving for innovation.
