QA / QC Building Lead - Pharmacy - Antwerp, Belgium - 3-Year contract

We're representing a top-tier global pharmaceutical company situated in Antwerp. With significant capital investment and numerous ongoing projects, our client seeks a skilled Program HSE Director to strengthen their team.

If you are local to Antwerp and are intrigued by this opportunity, kindly share your profile. We will promptly reach out to discuss further details at your convenience.

Responsibilities:

Act as the Technical SME for all things QA / QC / Labs Facility.

This person should have experience working within a large Laboratory environment. Or overseeing a new lab /QA / QC set up.

The QA / QC Building Lead should collaborate with the design and vendor teams, offering their technical expertise during design, construction and handover of building/s.

Participate in QA/QC/Lab construction group meetings for the project.

Requirements:

20 years + experience in related industries (biopharma, life sciences)

Demonstrated strong verbal and written communication skills in German and in English

Detailed knowledge of construction sequences and construction methodologies

Track record of successful project delivery within a > billion \$ project

If this role is of interest to you, please apply now!
