

Research Executive

[Apply Now](#)

Company: Rud Pedersen Public Affairs

Location: Brussels

Category: computer-and-mathematical

Job Description

Rud Pedersen Public Affairs is looking for a motivated trainee to join our growing Brussels public affairs consultancy for a 6-month paid internship.

Our Brussels office opened in 2017, and we are currently looking to strengthen our team with a Research Executive who will support our key business areas depending on evolving client needs.

We offer the opportunity to work and grow in a fast-paced but energetic consultancy environment. Anyone joining will have the opportunity to develop within the Rud Pedersen team, working with our Brussels partners and the wider company.

The position

Responsibilities will include:

- Following EU developments and undertaking initial research on policy issues on behalf of clients;
- Supporting team with legislative, regulatory and press monitoring;
- Helping to organize and execute events;
- Taking an active role in client teams, suggesting improvements for servicing of clients with regards to research;
- Participating at external events relevant to day-to-day work and seeking to build relationships with external actors at an appropriate level;
- Building competence at undertaking public affairs tasks on behalf of clients.

Skills & Requirements

Our ideal candidates for this position will have the following profile:

- Experience working with or in the EU institutions, national governments, consultancies, European Associations/Federations;
- A good level of education in relevant fields – e.g. EU Affairs, IR, law, political science;
- Interest and preferably some policy knowledge in the fields of environment and energy; Technology; Industry; or Agriculture and Food.
- An enthusiasm for conducting public affairs and communications in all its forms, from direct outreach to social media engagement;
- Interest in helping to organise and manage events;
- Full professional proficiency in English, with working knowledge of French or another EU official language;

Only candidates eligible to work in an EU member state can be considered.
