

## Safety Advisor / Preventieadviseur

[Apply Now](#)

Company: Nike

Location: Laakdal

Category: business-and-financial-operations

### Become a Part of the NIKE, Inc. Team

NIKE, Inc. does more than outfit the world's best athletes. It is a place to explore potential, obliterate boundaries and push out the edges of what can be. The company looks for people who can grow, think, dream and create. Its culture thrives by embracing diversity and rewarding imagination. The brand seeks achievers, leaders and visionaries. At NIKE, Inc. it's about each person bringing skills and passion to a challenging and constantly evolving game. NIKE, Inc. is transforming manufacturing with world-class standards that ensure our products are made responsibly and sustainably. Everything we do puts workers at the center. We are respecting the environment and using cutting-edge technologies to create better, more personalized products for our customers.

Many of the challenges we seek to address are complex and beyond the scope of one brand or company. We need to work collaboratively with a wide range of stakeholders to think creatively, and pool our skills in order to address risks and improve outcomes for our manufacturing factories, workers, and their communities.

### WHO ARE WE LOOKING FOR?

Within the Nike ELC, Environment, Health and Safety (EHS) is looking for a Safety advisor.

The safety adviser is part of the internal service for prevention and protection at work and support the employer creating a safe and healthy employment of employees and third parties, in accordance with the Welfare Legislation.

### WHAT ARE YOU WORKING ON?

To guarantee the well-being of our employees and third parties, it is your job to assist and advise the employer and managers. You assess workstations or specific distribution activities and map out the risks. Where necessary, you will investigate hazards and draw up advice.

For new installations and processes, you provide the managers with a commissioning report. You aim for preventive actions and exclude the recurrence of accidents and incidents by cooperating in the investigation and by proposing measures.

#### WHO DO YOU WORK WITH?

Within the EHS team, you are part of the Internal Service for Prevention and Protection at Work as a safety advisor. You report directly to the EHS Manager (prevention & training). Together with your fellow safety advisors, you will work on a safe and healthy ELC for all athletes and third parties. To succeed, you will work closely with various departments and in particular the Distribution Directors of your DCs in Ham or Laakdal. Your fellow employees of the DCs are your partner in achieving the safety and health objectives. Together with the CPBW members, you will work on permanent improvement.

#### WHAT YOU BRING?

Technical graduation secondary school and preferably experience in a logistics environment.

Certificate prevention advisor level II

Be able to chair a consultation with the various stakeholders and synthesize it in a report.

Because of your flexible responsibility, you have no objection to occasionally working outside office hours.

You have a strong technical knowledge and are familiar with the machinery ordinance.

Be able to perform ergonomic analyses.

Proficiency in Dutch and English

NIKE, Inc. is a growth company that looks for team members to grow with it. Nike offers a generous total rewards package, casual work environment, a diverse and inclusive culture, and

an electric atmosphere for professional development. No matter the location, or the role, every Nike employee shares one galvanizing mission: To bring inspiration and innovation to every athlete\* in the world.

NIKE, Inc. is committed to employing a diverse workforce. Qualified applicants will receive consideration without regard to race, color, religion, sex, national origin, age, sexual orientation, gender identity, gender expression, veteran status, or disability.
