

SAP BTP Consultant - French or Dutch Required

[Apply Now](#)

Company: Belmont Lavan Ltd

Location: Brussels

Category: computer-and-mathematical

Belmont Lavan Ltd is a leading provider of Information Technology and Services solutions worldwide. We are currently seeking a dynamic and talented SAP BTP Consultant who is fluent in either French or Dutch to join our team. As an SAP BTP Consultant, you will be responsible for driving successful implementation and integration of SAP Business Technology Platform (BTP) solutions for our clients.

Responsibilities

Collaborate with clients to understand their business requirements and develop SAP BTP solutions that meet their needs

Design, configure, and implement SAP BTP modules, including SAP Cloud Platform Integration, SAP API Management, and SAP Fiori

Provide guidance and support to clients throughout the implementation process, ensuring that projects are delivered on time and within budget

Conduct system testing, troubleshoot issues, and provide resolution to technical problems

Collaborate with cross-functional teams, including developers, architects, and project managers, to deliver high-quality solutions

Stay up-to-date with the latest SAP BTP trends and technology advancements to provide innovative solutions to clients

Train end-users on SAP BTP functionality and provide ongoing support

Requirements

Fluency in either French or Dutch language is a must, along with strong English communication skills

Bachelor's degree in Computer Science, Information Technology, or related field

Minimum 3 years of experience as an SAP BTP Consultant, with a proven track record of successful implementations

Strong knowledge in SAP BTP modules, including SAP Cloud Platform Integration, SAP API Management, and SAP Fiori

Experience with SAP Analytics Cloud, SAP HANA, and SAP S/4HANA is a plus

Excellent problem-solving and analytical skills, with the ability to develop innovative solutions

Strong interpersonal skills and the ability to effectively communicate with clients and team members

Ability to work independently as well as in a team-oriented environment

Willingness to travel to client sites as required

SAP certification in relevant modules is highly preferred
