Function

Advisory - Manager

Roles & Responsibilities

At KPMG, we pride ourselves on being a global network of independent member firms operating in 147 countries. As a leading provider of audit, tax, and advisory services, KPMG is committed to making a tangible difference for our clients, our people, and the communities in which we operate.

Roles & Responsibilities:

As an SAP S/4HANA Procurement consultant at KPMG, you'll play a pivotal role in enhancing our clients' business processes within SAP S/4HANA, offering expert advice on best practices.

Your responsibilities include:

Leading and managing client engagement teams in the implementation and/or redesign of SAP Procurement functionality.

Providing consulting advice to clients on Procurement & inventory processes within SAP.

Positioning KPMG's SAP S/4HANA Procurement business transformation methodology, assets, and templates as part of go-to-market activities.

Capturing and translating business needs into functional specifications.

Managing teams or projects, combining leadership with hands-on involvement and continuous coaching for career progression.

Delivering training and facilitating knowledge transfer to key users.

Coaching and sharing SAP Procurement knowledge and experience with junior members of Enterprise Solutions and CFO Advisory teams.

Location

Zaventem HQ

Skills & Qualifications

Master's degree holder.

5 to 10 years of SAP Procurement experience in Materials Management (MM), Inventory Management, and Integration to Finance domains.

Experience and exposure to SAP S/4HANA Logistics/Procurement.

Strong understanding of SAP Procurement processes.

Excellent consultancy skills to establish credibility at the client level and build problem-solving partnerships.

Ability to work independently or in project teams, taking ownership and responsibility.

Willingness to develop coaching skills by collaborating closely with colleagues.

Stress-resistant, flexible, client, and service-minded.

One or more certifications in SAP ECC Procurement or SAP S/4HANA Procurement.

Fluent in both Dutch and/or French, combined with proficient English language skills.

We offer

As a certified **Top Employer** we offer:

An international corporate culture in which personal growth, mutual trust and lifelong learning are being fostered.

A competitive and attractive compensation package and a great number of extra-legal

advantages (Company car + fuel card, iPhone/iPad, group & hospitalization insurance, Allowances,...) which are customizable with our Reflex@KPMG plan.

Career and business development opportunities combined with trainings based on your personal needs and ambitions.

Learning and growth opportunities designed for leaders through our Management development Track.

Flexible, hybrid work arrangements to enable working from wherever you are.

A team of passionate colleagues to reach higher goals and support each other.

A buddy and performance manager to support and assist you through your first months at KPMG.

Great teambuilding, sport & wellbeing initiatives through our Together@KPMG program.

An inclusive workspace that encourages diversity and pursues mutual respect for each other's beliefs and backgrounds.
