

## Senior DevOps Engineer (ML/AI)

[Apply Now](#)

Company: avenga

Location: Antwerpen

Category: computer-and-mathematical

### What you bring along:

5+ years of hands-on experience working as a DevOps, Build & Release Engineer;

1+ year of expertise in applying AI/ML in DevOps;

Knowledge of at least three of the following Cloud platforms: Salesforce, Heroku, MuleSoft, Kafka, Snowflake, AWS, Azure;

Proficient in using Artificial Intelligence/Machine Learning, Generative AI, NLP frameworks and architectures to optimize DevOps automation, quality, and performance;

Experience with infrastructure and database deployment automation;

Understanding of designing and implementing feature flagging, observability solutions, Blue-Green/ canary/rolling deployment automation;

Knowledge of Docker;

Good at using Terraform and/or CloudFormation;

Familiar with CI/CD tools such as Gitlab CI, Jenkins;

Confident in the deployment and configuration of Linux;

English – Upper-intermediate or higher.

### Nice to have:

AWS & Azure certifications;

Understanding of DevOps Maturity models;

Degree in Computer Science or similar.

**This is your mission:**

Create new and update existing CI/CD pipelines (based on Gitlab CI);

Work closely with development teams, consult them, control implementation;

Identify and plan improvements to the implementation;

Implement POCs;

Discuss implementation details with the Client;

Manage infrastructure using IaC (Terraform).

**Your benefits:**

Our employees get regular performance and salary reviews;

Everyone at Avenega is subject to professional growth via our mentorship program;

The company provides extended training and certification opportunities;

We foster professional freedom by offering free-of-charge English and Spanish courses from A1 to C2;

Avenega cares for its employees, you will be fully supported by our HR Partners;

We offer an attractive Referral bonus program;

At our team, everyone carefully tracks their own work-life balance, for this reason, we provide 21 days per year of unpaid time offs.
