

Senior Front-End Developer

[Apply Now](#)

Company: OMP

Location: Belgium

Category: computer-and-mathematical

Your challenge

>

Your team

As our new Front-End Developer, you'll be part of a large, fast-growing, international Software Development team located in Belgium (Antwerp, Ghent, Wavre), Spain (Barcelona), Ukraine (Lviv), and the US (Atlanta). Software Development creates leading software solutions that make a difference to our customers. We make smart, robust, and scalable software to solve complex supply chain planning challenges.

Your profile

We are looking for someone who meets the following qualifications:

A Bachelor or Master (or equivalent by experience) in ICT, Applied Informatic Sciences, Information Management, Multimedia, or another relevant field.

Knowledge of modern JavaScript (and add-ons like typescript), HTML5 and React.

Pride in the high-quality software that you write.

Bonus points if you have:

Relevant work experience, including internships or bootcamps.

Knowledge of NativeScript or React-Native.

Experience with Electron.

Knowledge of test frameworks, such as Jest or Jasmine.

Soft skills

Problem solving Communication Teamwork Pragmatic Passionate

Hard skills

Javascript HTML5 React

Language skills

Required:

English

A plus:

Any other language

Your future

At OMP, we're eager to find your best career fit. Our talent management program supports your personal development and empowers you to build a career in line with your ambitions.

Many of our team members who start as Front-End Developers grow into roles in software architecture, software expertise, project management, or people management.

Our offer

At OMP, we offer more than just a job. We put people first and inspire you to become the best version of yourself.

International : A growing global company, worldwide career opportunities, and multicultural teams

Benefits : An attractive salary package including an optional company car, a bike incentive program, additional extralegal vacation days, and other competitive benefits

Flexibility : Teleworking, flexible hours, and lots of autonomy

Lifelong learning : A custom training and development track, an extensive coaching program, and on-the-job learning

Empowerment : Room for initiative and creativity and an emphasis on entrepreneurship

Innovation : Encouragement to think differently through cross-team collaboration and innovation challenges

Well-being : A caring and inspiring environment, promoting a happy and healthy lifestyle through a wide range of facilities and activities

Teamwork : Join a team that lifts you up and learn from the best
