Job Description

Job Title: Senior Integration Consultant

Company Overview:

Our client is a leading consulting company dedicated to providing innovative solutions to our clients. We pride ourselves on our commitment to excellence, cutting-edge technologies, and a collaborative work environment. As we continue to expand our team, we are seeking a seasoned Senior Integration Consultant with expertise in MuleSoft to play a pivotal role in our integration projects.

Position Overview:

We are looking for an experienced Senior Integration Consultant who will be responsible for leading and executing integration projects utilizing MuleSoft's Anypoint Platform. The successful candidate will work closely with clients to understand their business requirements, design scalable and robust integration solutions, and implement MuleSoft-based integrations that drive efficiency and business value.

Responsibilities:

1. Client Engagement:

- Collaborate with clients to gather and understand integration requirements.

- Conduct workshops and meetings to assess business processes and design effective integration solutions.
- Build strong relationships with clients, becoming a trusted advisor on MuleSoft integration strategies.

2. Solution Design:

- Develop comprehensive integration architecture and design documents based on client requirements.
- Design MuleSoft integration solutions that adhere to best practices, scalability, and maintainability.
- Collaborate with development teams to ensure the successful implementation of integration solutions.

3. Implementation:

- Lead the development and configuration of MuleSoft integrations.
- Write custom code when necessary and ensure adherence to coding standards.
- Troubleshoot and resolve integration issues during the development and testing phases.

4. Quality Assurance:

- Conduct thorough testing of integrations to ensure they meet functional and performance requirements.
- Collaborate with quality assurance teams to implement comprehensive test plans.

5. Documentation:

- Create and maintain detailed documentation for integration solutions, including design specifications, deployment guides, and user documentation.
- Provide training and knowledge transfer to client teams as needed.

6. Continuous Improvement:

- Stay abreast of MuleSoft platform updates, industry trends, and best practices.
- Propose and implement improvements to existing integration processes.

Requirements

Qualifications:

- Bachelor's degree in Computer Science, Information Technology, or a related field.
- Proven experience (4+ years) as an Integration Consultant with a focus on MuleSoft.
- MuleSoft certification(s) preferred.
- Strong understanding of integration patterns, API design, and microservices architecture.
- Proficiency in Java and other programming languages.
- Excellent communication and interpersonal skills.
- Ability to lead and mentor junior team members.

Benefits:

- Competitive salary and performance-based bonuses.
- Comprehensive health, dental, and vision insurance.
- Retirement savings plan.
- Professional development opportunities.
- Collaborative and innovative work environment.

If you are a results-driven Senior Integration Consultant with a passion for MuleSoft and a track record of successful integration projects, we invite you to apply and contribute to our dynamic team. Join us in delivering cutting-edge solutions that transform the way our clients do business.
