

Senior Legal Counsel

[Apply Now](#)

Company: EQUANS

Location: Aartselaar

Category: other-general

For the legal team at **Equans** , we are looking for our Northern Industry Division (**Zwijndrecht/Aartselaar** with at least 1 day per week in Brussels). Every day we work on large infrastructure and other projects of the future. Whether it is large construction projects or another prestigious project, as Legal Counsel you see the result and impact of your work around you every day. This job offers you challenge, autonomy and a good work-life balance What else? Discover it below!

Your main responsibilities

analyze (public and private) tender documents (especially during the tender phase) and provide practical advice in the execution phase

draft, negotiate and follow up on all kinds of agreements, including complex contracts and transactions, construction contracts, joint venture agreements, maintenance agreements, shareholders agreements

provide practical legal advice on the most diverse legal issues related to all activities of Equans (contract law, obligations law, public procurement, corporate law)

follow up on national and international disputes involving Equans

Are you are new Senior Legal Counsel?

you have a masters degree in law

you have at least 12 years of experience as a lawyer and as a corporate lawyer

you have experience or interest in contract law, in construction law and in public procurement

you have talent and interest in negotiating complex contracts and transactions

you have interest and insight in the non-legal aspects of a project: technical, commercial, financial and strategic aspects

you have strong communication and relational skills

you are proactive, positive, pragmatic and have an open mind

you are assertive, confident and a real team player, and you can work autonomously at the same time

you speak and write fluently Dutch and English and understand at least French

Want to tackle tomorrows multi-technical challenges with us?

Then join our experts in the various **innovative** and **exciting projects** of Equans. You get the opportunity to use your **technical skills** as well as to discover **cutting-edge technologies** and help customers in the 3 major transitions of today: the energy transition, the industrial transition and the digital transition.

Joining Equans is more than that! You also get:

a **competitive salary** in line with your education and experience

interesting **training and career opportunities**

group-, hospitalization **insurance**

eco & **meal vouchers** , representation allowance, 13th month, holiday pay

concessionary travel, **lease car (with fuel card)**

smartphone with subscription, internet fee

additional paid leave , homeworking

We are looking forward to meeting you!
