Job Description

Bricsys®, part of Hexagon, is a global technology company creating innovative Computer Aided Design software for worldwide markets. Our products enable the world's most innovative companies to streamline complex design workflows every day. Our people are active in 80 countries, and our software is available in fifteen languages. We offer innovative solutions for 2D drafting, 3D direct modeling, sheet metal design, and Building Information Modeling (BIM). Bricsys powers an ecosystem of over 1, market-specific applications through our developer program. Our focus is to deliver reliable software with friendly licensing, and industry-leading direct support - all at a fair price.

We have an excellent career opportunity for a senior-level hands-on Finance professional to join our successful team.

In this role, you oversee all financial and administrative aspects of the global business and drive the company's financial strategy and planning. You will be the finance business partner of the Bricsys Leadership Team.

Reporting to Bricsys CFO, your key responsibilities will include:

Overseeing the financial and administrative operations of the company and driving the continuous improvement of end-to-end policies and procedures

Leading a small team of finance, legal and back-office operations.

Providing insightful information about the company's performance to aid in long-term and short-term decision making.

Coordinating and directing the budget exercise and financial forecasts and monitoring adherence to the approved budget.

Supervising month-end and year-end reporting, and ensuring compliance with accounting policies and regulatory requirements.

Interacting frequently with other business stakeholders concerning operational decisions, policies, or process clarifications.

Participate in special projects.

Desired Skills

Master's degree in Finance or Economics (or equivalent by experience).

Fluent in English and Dutch.

Ability to demonstrate a profound understanding of financial analysis and strategic planning.

A proactive and practical personality with a strong 'getting things done' attitude. You are willing to immerse yourself in the operational details.

A proven track record of effective team management. You possess the skills to lead, motivate and inspire.

Effective communication is vital in this role. You can convey information and ideas clearly, you are able to adapt your communication style to various audiences and maintain open and transparent dialogue.

Our offer

Flexible hours, 32 days' vacation and the possibility to work from home up to 2 days per week

Competitive remuneration with extra's (company car, pension fund, meal vouchers, expense allowance, hospitalization, etc.)

A no-nonsense work floor with a flat hierarchy.

Autonomy in planning and designing your own work.

Interesting members in a fast-growing international environment.

Encouragement to show initiative, learn, grow, and develop your own ideas.

Parties, pizza Fridays and other (optional) fun activities.

Free access to 'Udemy', a learning platform offering access to thousands of top-rated courses, allowing our employees to improve their skills constantly.

Interested? We look forward to speaking with you!

Shortlisted candidates will be contacted within 2 weeks of application. All inquiries and applications will be treated with the utmost discretion.
