

Senior Microsoft 365 Solution Architect

[Apply Now](#)

Company: Inetum

Location: Belgium

Category: computer-and-mathematical

Mission

Function

As a Senior Architect, you are a reference in your field and carry out pre-sales and consultancy activities for our clients.

Your main role is to :

Deliver consultancy individually or in a leadership role in a project team in your field of activity, with a strong business affinity: Microsoft 365

Orchestrating and participating in the writing of offers in your field of activity
Summarize the request or specifications
Define the solution corresponding to the customer's request
Assess the required workloads
Define the tasks to be performed (WBS)
Respecting the existing Bid Management process
Work in good collaboration with the Bid Coordinator and the Bid Office.
Work in good collaboration with possible partners and subcontractors involved in the bid.
To liaise with the other Realdolmen entities involved in the Offer.

Supporting our sales forces in promoting M365 solutions
Identify and frame M365 ecosystem solutions with our customers
Analyze the necessary integration between these solutions and the existing one.
Ensuring contact with the client in the context of these solutions

Your secondary role is to :

Participate in the active sharing of knowledge with your colleagues in your field of activity
Training sessions

Sharing sessions

Use of internal collaboration tools

Documentation of good practices, references, use cases, reports of good implementation

Profile

Profile

You have following knowledge and skills :

In-depth functional knowledge of the Microsoft 365 ecosystem

Minimum 5 years' experience in ICT

Minimum 3 years' experience in this field of activity

A Microsoft certification on these products is a plus

Knowledge of Dynamics 365 products is a plus

Knowledge of the underlying infrastructure elements is a plus

Knowledge of the development technologies used in M365 is a plus.

You are fluent in French and English, Dutch is a plus.

Excellent verbal and written communication

Great independence and vision Solution and not Products.

Your main qualities :

You don't let yourself be quickly disconcerted, even by stressful situations.

You make it a point of honor to meet deadlines.

You challenge the tasks assigned to you in order to identify the risks and the solutions to be applied.

You have no difficulty working independently.

You dare to take responsibility and do so.

You don't wait for orders, but roll up your sleeves.

You are structured, precise and know how to organize your time optimally.

Our offer

The opportunity to have a meaningful job where you can make a difference;

The chance to continuously evolve as a professional, coupled with a variety of training opportunities and certifications;

Relevant career opportunities to get you where you want to be, with the IT knowledge you need;

Realdolmen wants you to find a balance between work and private life by offering flexible hours, satellite offices and home working;

32 days of annual leave, because life isn't all about working;

Forget about the miles: we provide you with a company car and a national fuel card;

Group insurance and hospitalization insurance, because we care about you;

We offer a gross salary which is optimised from a net perspective for our employees!;And of course you work for a certified Top Employer!
