

## Senior QC Support Scientist - Critical Material Specialist

[Apply Now](#)

Company: UCB

Location: Braine-l'Alleud

Category: other-general

### Make your mark for patients

To strengthen our **Global Analytical Operations** department, we are looking for a talented individual to fill the position of: **SeniorQC Support ScientistCritical Material Specialist** in **Braine l'Alleud**.

#### About the role

##### Scope

Manage critical material supplies for analytical laboratories handling NBE, and/or GT from phase III to the end of the product life cycle

##### Nature

Offer expertise on UCB product regulations and provide support for critical materials in NBE and/or GT analytical labs (e.g., reference standards, control samples)

Facilitate efficient collaboration with QC, development labs, global analytical services, manufacturing, supply chains, QA, CLO, and CMO as needed.

#### What you will do

Provide expertise in NBE and/or GT critical materials for UCB products, regulations, and processes

Establish or revise critical materials specifications and related documents

Evaluate stability and determine expiry of critical materials

Interface with QC, development labs, Corporate analytical services, manufacturing, supply chains, Global Regulatory affairs, CLO, etc.

Define and implement global-level complex change control

Supervise or support climatic chambers, sample storage and flow

Serve as key user for LIMS std and reagents

Contribute to audit preparation and follow-up

Follow up on deviations and conduct root cause analysis

Participate in implementing a safe working environment to meet site safety objectives

**Interested? For this position you'll need the following education, experience and skills**

Master's Degree

Expertise in GMP, NBE and GT analytical knowledge and Critical materials regulation.

Validate decisions using strong analytical, troubleshooting and problem-solving skills

Manage multiple projects simultaneously

Team-oriented with a transversal approach

Stress-resistant

Fluent in French with a good level of English.

Are you ready to 'go beyond' to create value and make your mark for patients? If this sounds like you, then we would love to hear from you!
