## Senior C&Q PQ Specialist - Pharma - Brussels, Belgium - 12-18-Month Contract

We are looking for an experienced Senior C&Q PQ Specialist for a fantastic 12-18-Month Contract month contract based in Brussels.

You will be working with our client, a global biopharmaceutical organisation committed to improving the lives of people afflicted with neurological and immunological disease.

This is a superb opportunity if you are looking to advance your career in the field with a supportive and innovative company that will put you first.

### Responsibilities:

Act as C&Q Subject Matter Expert for PQ. Ability to provide guidance and work with supplier and project stakeholders and all C&Q activities from design to execution and to summary report approval.

Deep understanding and experience of all PQ verification strategy and testing covering Clean Utilities, Temperature control units, cleaning, sterilisation, filling, decontamination.

Draft PQ strategy/protocol(s), coordinate review and approval following approved PQ VMP.

Drive verification deliverables, protocol execution, deviation investigation and resolution for

problems and issues encountered during execution activities.

**Requirements:**

5+ years of hands-on, end to end experience with PQ and in International CAPEXC&Q.

Extensive knowledge and demonstrated experience delivering Commissioning and Qualification for single use for Pharmaceutical / Biotechnology projects including automation related aspects of equipment.

Experience with Process Performance testing: Mock-up, Media Simulation, Media Fill, Engineering runs is preferred.

Experience of sterile / biotech / single use equipment in the bio-pharmaceutical industry is preferred.
