## Senior Salesforce Developer

Salesforce, CRM, some experience, developer Belgium share on

Are you ready for your the next challenge in your career? Do you have a solid experience in CRM/ERP software development? Does your heart skip a beat when you hear Salesforce?

Then keep on reading, because we might have the perfect **opportunity** for you!

You are **teamplayer**, ready to work together with our functional consultants to give our clients the best possible salesforce solution. You will be responsible for the **technical implementation and optimization** of the client's Salesforce platform. You will be present during the entire project process and take on the **technical aspect** , ranging from supporting our sales team and the development of the project's Salesforce environment to also assisting the end users. By providing **advice and best practices** , you will help our customers transform and digitize their business.

**Apply for Senior Salesforce Developer!**

**Thank you for your application.**

**We will get back in touch with you soon! Have a great day!**

read our stories

**What will you be doing as a Salesforce developer?**

You **collaborate** with the solution architect and other developers in the **analysis** of the customer's business model and the **translation to the technical requirements** to the Salesforce platform.

**Quality** is key! You develop quality solutions according to our best practices. Both **back-end** and **front-end** are developed using state-of-the-art web technologies and tools.

At delaware, we're no coding monkeys that are staring blindly at software % of the time.

Aside from software development, you'll be involved in all **consulting aspects** like presales, analyses, workshops, training to end users,... It keeps things interesting and helps you grow beyond your technical expertise.

You act as a **trusted advisor** for your colleagues and customers. You ensure that your **knowledge** of the Salesforce platform is up to date at all times, and you enjoy sharing your expertise both internally and externally.
