Senior SAP Sales & Delivery Service Consultant

SAP, supply chain & operations, some experience, consultant Belgium share on We offer our customers **long-term service contracts** to ensure their organization is **responding to today's continuously changing business requirements**. We have a proven track record of over customer relationships in different industries (chemical, food, manufacturing,...), establishing adaptive, efficient and business oriented ERP systems.

The Belgian delaware **SAP Run & Accelerate teams** is a group of more than 80 highly trained SAP professionals. Our main missions are to provide application managed services in the long run (think about incidents and service requests) and accelerating services (such as innovation and automation). We assist our customers with the implementation of new, value-adding functionalities and the maintenance of their SAP landscape. We ensure our customers' SAP applications develop into the **company's driving force**, by offering a team of experts – ready to intervene when called upon!

We provide support in a **flexible and open way** with room for **creativity**. All the SAP Run & Accelerate colleagues cooperate closely in teams dedicated to specific clients,

organized per industry. To ensure 24/7 service to our customers, we collaborate closely with our international delaware colleagues.

Apply for Senior SAP Sales & Delivery Service Consultant!

Thank you for your application.

We will get back in touch with you soon! Have a great day!

read our stories

What will you be doing?

If you think support is only about solving incoming tickets... You're wrong!

The job of an SAP Sales & Distribution Consultant can be a **mix of many tasks** , including: Collaboration on S/4HANA migrations or upgrades (as SAP SD consultant or Project Manager),

involvement in customer projects/enhancements (working onsite at a dedicated customer),

first- and second-line support and much more!

As a consultant, **you don't just execute. You bring added value**our expertise will help us generate more innovative solutions. While you grow in your job, you will be able to **deepen your knowledge even further through training and coaching** on the job. And you, in turn, will be passing on your experience and knowledge to our younger team members. You know it takes time, patience and understanding to **solve complex problems** And that's why you do your utmost to become **a trusted advisor for our customers**. You offer them stability and pragmatic, no-nonsense solutions. The **list of possible career paths is endless** ... It's up to us to find the mix that works for you. Everyone is different, and so is our job content.

Worth to mention - we can pick & choose our working offices too! Feel like working in Ghent today? No problem ! Want to meet up with colleagues in Kortrijk, Wavre, Antwerp or Lummen... it's all possible.
