

## Senior Solution Consultant

[Apply Now](#)

Company: OMP

Location: Belgium

Category: computer-and-mathematical

### Your challenge

>

### Your team

As a Solution Consultant, you'll join the Industry team as part of our Customer Solutions organization. The Industry team realizes the targets and strategies set in the industry business plans together with the Commercial and Delivery teams. The Industry team guides and supports the Commercial and Delivery teams with industry-specific commercial expertise, advice, and solutions.

### Your profile

We are looking for someone who meets the following qualifications:

University degree in engineering, business engineering, computer science, or similar.

Strong affinity with IT as programming skills are required, including macro coding similar to VBA.

Great analytical skills and problem-solving abilities.

Good communications skills and able to connect with different stakeholders.

A passion for working in a multinational customer-driven environment.

A friendly and open approach to working in a team.

The flexibility to travel.

Bonus points if you have:

Experience with SQL.

Knowledge of a versioning system.

### **Soft skills**

Communicative Team-player Collaborative in a global context Pragmatic Passionate

### **Hard skills**

Programming skills Analytical skills Supply chain planning knowledge

### **Language skills**

#### **Required:**

English

#### **A plus:**

Any other language

### **Your future**

At OMP, we're eager to find your best career fit. Our talent management program supports your personal development and empowers you to build a career in line with your ambitions.

As a solution consultant you can grow into the role of solution analyst, supply chain consultant, (industry) solution architect, or solution manager, or move towards people management or product development.

### **Our offer**

At OMP, we offer more than just a job. We put people first and inspire you to become the best version of yourself.

**International** : A growing global company, worldwide career opportunities, and multicultural teams

**Benefits** : An attractive salary package including an optional company car, a bike incentive program, additional extralegal vacation days, and other competitive benefits

**Flexibility** : Teleworking, flexible hours, and lots of autonomy

**Lifelong learning** : A custom training and development track, an extensive coaching program, and on-the-job learning

**Empowerment** : Room for initiative and creativity and an emphasis on entrepreneurship

**Innovation** : Encouragement to think differently through cross-team collaboration and innovation challenges

**Well-being** : A caring and inspiring environment, promoting a happy and healthy lifestyle through a wide range of facilities and activities

**Teamwork** : Join a team that lifts you up and learn from the best
