Company: Inetum

Location: Belgium

Category: computer-and-mathematical

### Mission

#### YOUR FUNCTION:

Are working out technical concepts and carrying out technical analysis within projects second nature to you? If the answer is yes, Inetum-Realdolmen certainly has multiple challenging projects for you!

As a SharePoint & O365 Technical Consultant, you design technical architectures and develop innovative solutions. You will study the analysis inside-out, and make sure that the solution is developed using the right techniques and following our best-practice guidelines. Using SharePoint and Office 365, you will develop new solutions, where integrations with other systems are common practice.

For this function, you are working at a flexible work rate with a healthy mix of working at the customer's premises, at your preferred Inetum-Realdolmen office (Ghent, Kontich, Huizingen, Leuven, Lummen or Mons) or from home.

### Profile

**YOUR PROFILE:** Are you...

An experienced developer with a real passion for SharePoint and Office 365?

Right at home with SharePoint 2013, 2016, 2019 and Online?

Our next technical know-it-all? Tell us more about Javascript, Typescript, SPFx and PowerShell!

Mastering web services and API's with confidence?

Fluent in Dutch & English or French & English?

Hunting bugs for a hobby?

You get bonus points if...

Colleagues describe you as a driven and enthusiastic team member who always wants to discover new technologies;

You are familiar with Nintex, AvePoint, ShareGate;

You have Microsoft certifications in your possession; You have experience with developing Azure solutions.

If that's you, come in and have a talk with us!

**OUR OFFER:**

The opportunity to have a meaningful job where you can make a difference;

The chance to continuously evolve as a professional, coupled with a variety of training opportunities;

Relevant career opportunities to get you where you want to be, with the IT knowledge you need;

Seeing the customer's happy faces at the end is very rewarding – it allows you to grow and evolve as a professional.

On top of that, Inetum-Realdolmen invests in you and you get the chance to learn about new technologies and attend conferences all over Europe;

Inetum-Realdolmen wants you to find a balance between work and private life by offering flexible hours, satellite offices and home working;

32 days of annual leave, because life isn't all about working;

Forget about the miles: we provide you with a company car and a national fuel card;

Group insurance and hospitalization insurance, because we care about you;

And of course, we also offer a gross salary. One which is optimised from a net perspective for our employees!
