

Signalling & Telecom Site Supervisor M/F – Brussels (Belgium)

[Apply Now](#)

Company: HITACHI RAIL STS FRANCE

Location: Belgium

Category: computer-and-mathematical

Description

Hitachi Rail is looking for a passionate Signalling & Telecom Site Supervisor based in Brussels, who is driven to exceed expectations in an international environment. Do you want to be a part of prestigious projects whose outcome will affect a lot of people every day? Then the role Signalling & Telecom Site Supervisor at the Hitachi Rail Belgium Branch might be something for you!

About us

Hitachi Rails a fully integrated, global provider of rail solutions across rolling stock, signalling, service & maintenance, digital technology and turnkey. With a presence in 38 countries across three continents and over 14,000 employees, our mission is to contribute to society through the continuous development of superior rail transport solutions.

The **Hitachi Rail Belgium Branch**Office is based in Brussels. Our 20 employees are fully dedicated to our main project: the modernization of Brussels metro. A diverse, inclusive and responsible culture is the root of our company where we consider hiring the right people and treating them well, as key factors of our sustainable success. We are looking for enthusiastic and motivated people with pioneering spirits, driven by customer satisfaction and company global growth. As member of the global Hitachi Rail group, you may be offered to take part in global projects and to team-up with colleagues from around the world.

A career at Hitachi Rail will help create a legacy. With operations in every corner of the

world, our work goes to the cutting-edge of digital transformation and technology. From the multi-cultural strength of our global organization to the sustainable and innovative ways we work to bring people together, there's something for everyone to get stuck into. And that's where you come in.

About The Role

Accountabilities:
