Your challenge

>

Your team

As a .Net Software Engineer, you'll join the Software Development team, as part of the Product Development organization. Product Development consists of specialized teams that focus on a specific domain such as demand and supply planning, user experience, data science, integration, solvers, and more. These teams drive our product road map, share OMP's vision and expertise, and create smart, robust, and scalable software solutions that solve our customers' complex supply chain planning challenges.

Your profile

We are looking for someone who meets the following qualifications:

We are looking for someone who meets the following qualifications:

A bachelor's, master's, or PhD degree in Computer Science, Engineering, Mathematics, or another relevant field. Alternatively, the equivalent by experience.

- Good knowledge of object-oriented programming.

Profound knowledge of the C# language and the .Net Core framework.

Passionate about writing high-quality software.

The eagerness to learn and stay up to date on the latest technology.

Good understanding of RESTful architecture and asynchronous programming.

Bonus points if you have:

Relevant work experience, including internships.

Experience with design patterns, UML, algorithmic thinking, multi-threading, and distributed systems.

Experience with integration patterns on Microsoft Azure (Event Hub, Azure Functions, API Management, Web API Apps, etc.).

Soft skills

Problem solving Communication Global teamwork Pragmatic Passionate

Hard skills

Object-oriented programming C# Design patterns Algorithmic thinking

Language skills

Required:

English

A plus:

Any other language

Your future

At OMP, we're eager to find your best career fit. Our talent management program supports your personal development and empowers you to build a career in line with your ambitions. Many of our team members who start as .Net Software Engineers grow into roles in software architecture, project management, or people management.

Our offer

At OMP, we offer more than just a job. We put people first and inspire you to become the best version of yourself.
