TG Health Solutions is voor de ondersteuning van haar klanten op zoek naar bijkomende enthousiaste Medical Software Support Engineer. De digitalisering en verbetering van de gezondheidszorg is één van de grootste uitdagingen van onze tijd. Wij geloven dat ICT een effectieve meerwaarde kan betekenen voor de gezondheidssector en mensenlevens kan redden. Het unieke karakter van onze organisatie wordt gevormd door onze consultants. Zij hebben een uitzonderlijke mix van ervaring en kennis in zowel de ICT als de healthcare sector. Als Medical Software Support Engineer los je de vragen en incidenten van onze klanten bij het gebruik van hun medische software op. Je bent het centraal aanspreekpunt voor onze klanten en communiceert met hen zowel telefonisch, per mail als via een helpdesktool. Je bent verantwoordelijk voor het opvolgen van het volledige helpdeskproces, van het registreren tot en met het afsluiten van het probleem. De vragen zijn voornamelijk gespecialiseerde vragen, eerder bep...
