At STADA we pursue our purpose “Caring for people’s health as a trusted partner” worldwide. Originally founded by pharmacists, we are a leading manufacturer of high-quality pharmaceuticals. More than 12,300 employees around the globe live our values Integrity, Entrepreneurship, Agility and One STADA to achieve ambitious goals and shape the successful future of STADA.

The pharmaceutical company EG is a Belgian company and leader of generic medicines in Belgium. Today, the company counts 190 collaborators. EG is part of STADA Group and consists of 3 divisions: EG Generics, Consumer Care & Specialty Care. With over 30 years of experience, EG is the indisputable market leader of generic medicines in Belgium. The **EG Generics** portfolio contains almost 700 medicines (mostly prescription medicines) destined for the treatment of health problems in almost every therapeutic domain. The EG team also offers continuous practical support to doctors and specialists for a responsible and affordable patient care. **EG Consumer Care** creates innovative brands of nutritional supplements, medical aids and medicines that are available in pharmacies without prescription (OTC). We emphasize ‘evidence-based nutraceuticals’: nutritional supplements that are scientifically tested and who help you sustain your health. **EG Specialty Care** also offers very specialized prescription medicines – mainly to hospitals and psychiatric institutions. We are also working on expanding the product line with, among others, biosimilars.
