ABOUT US

At TCR Group, we're dedicated to revolutionizing the aviation industry by providing integrated solutions for Ground Support Equipment (GSE). Our comprehensive offerings include GSE rental, leasing, and maintenance services. With our headquarters located near Brussels and a team of approximately 1700 employees, we boast a global operational presence spanning over 200 airports across America, Europe, Asia Pacific, and the Middle East. Our relentless commitment to excellence has established us as a trusted partner for our customers worldwide.

THE OPPORTUNITY

Are you ready to be the driving force behind our Management Team's success? We're seeking an Strategy Associate who thrives in a dynamic environment, excels in communication, and possesses a strong background in corporate finance. You'll take on a diverse array of responsibilities, with a special focus on financial matters, ranging from strategic planning to operational support.

As the Strategy Associate, you'll be the Management Team's right-hand person, entrusted with both day-to-day operations and high-level strategic initiatives. From managing financial matters to overseeing corporate communication, HR, and beyond, your impact will be felt across the organization.

WHERE YOU'LL MAKE THE MOST IMPACT

Maximize Efficiency: Craft efficient workflows to ensure our Management Team's time is optimized for maximum productivity.

Facilitate Communication Act as a liaison between the Management Team, staff, and stakeholders, ensuring seamless communication without hierarchical barriers.

Strategic Financial Planning and support Provide expert insights into financial planning and decision-making, contributing to the development of robust strategies.

Project Oversight: Provide guidance on projects assigned by the Management Team, balancing strategic vision with meticulous attention to details.

Decision Support: Organize and prioritize (financial) information to facilitate swift and informed decision-making.

Financial Reporting: Prepare comprehensive financial reports and presentations for the Management Team, Board, and external stakeholders.

Quality Assurance: Review and provide feedback on materials presented to the Management Team, ensuring accuracy and quality.

Follow-up Management Track action points arising from meetings, ensuring timely execution and reporting.

Effective Communication: Convey financial messages from the Management Team's office both in writing and in person, internally and externally.

THE IDEAL CANDIDATE

Educational Background: University degree in Applied Economics, Commercial Engineering, or Civil Engineering, with a focus on finance or related field.

Professional Experience: Relevant experience in a professional environment, such as professional services or a blue-chip company.

Finance Expertise: Extensive experience and expertise in corporate finance, with a proven track record of success in financial management.

Communication Skills: Outstanding verbal and written communication skills, coupled with professional humility and curiosity.

Analytical Abilities: Strong analytical skills with a keen numerical literacy, especially in financial analysis.

Language Proficiency: Excellent command of English. Proficiency in either French or Dutch is a plus.

Positive Attitude: Approach challenges with optimism and a can-do attitude, especially in the realm of finance.

WHY TCR?
