You will also be accountable for the performance of your team (on-time and on-budget delivery).

Your Profile :

- Master's degree in mechanical / aerospace engineering (or equivalent)
- Minimum 8 years of experience in structural analysis of aircraft structures
- Minimum 2 years of experience as team leader
- Technical Skills:
 - o Deep knowledge and understanding of structural analysis methodologies (FEM and hand calculations)
 - o Deep knowledge of Finite Element Modelling
 - o Good knowledge in Fatigue & Damage Tolerance analyses

· Important Soft skills:

- o Leadership
- o Flexibility & high sense of commitment
- o Rigor and attention to detail
- o Ability to manage priorities and to work under pressure in a multi-tasks environment
- o Creative, open and team spirit mind set

· Tools:

o Knowledge in one or more of these would be an asset : SAMCEF, NASTRAN, CATIA V5, Simcenter NX, TeamCenter, Linux.

o Microsoft Office

· Language:

o Good level in English is mandatory (spoken & written). Speaking other European languages would be a plus.

We offer you:

An attractive salary, extra-legal benefits and a training plan to help you develop your skills.

If this offer meet your professional skills and motivations, we invite you to download your application to the attention of Christine Degembe, Recruitment & Staffing Manager
