

Subcontractor Aerospace Auditor

[Apply Now](#)

Company: LRQA

Location: Antwerp

Category: life-physical-and-social-science

Job ID:

Location: [[location_obj]]

Position Category: Assessors

Position Type: Contractor On Demand

Are you looking for an independent technical job with a lot of freedom? Are you curious by nature and do you want to work in the dynamic aerospace industry? Do you like visiting a great variety of customers all around the country? Do you want to be part of an international renowned organization to develop yourself further? And do you want to contribute to a safer world by sharing your knowledge with organizations? Then LRQA is a good choice for you!

Job responsibilities

As a Lead Auditor at LRQA you will - alone or in a team - verify management systems in the area of quality management mainly in the aerospace industry. You will act as an expert and examine and assess the implementation of management systems at our clients all around the country. Your goal is to contribute to the improvement of the overall systems. The broadening and deepening of the collaboration with our relations is also a great aspect of your job. Based on your expertise you will contribute to the development of our services.

A very challenging and diverse job where you get to meet a lot of different people and very interesting (technical) challenges!

Job requirements

Bachelor's degree in the area of Aerospace, Chemistry, Electronics or Computer science.

Minimum of five years working experience in the Aerospace Industry (Design, Development and / or manufacturing).

Experienced with AS third party assessments. AS and/or AS would be an asset.

Minimum of years' experience in quality management systems.

Being familiar with applicable law and regulations.

A good verbal and written knowledge of the Dutch and the English language. Verbal knowledge of the French is preferable.

Preparedness to travel when necessary to visit locations abroad

Analytic insight and proactive attitude

Communicative and social skills

Flexible attitude

About LRQA

LRQA distinguishes itself through knowledge, independence and impartiality. LRQA offers a comprehensive package of professional and independent services that support customers throughout the entire lifecycle of their management systems. Due to the dedication, expertise and customer focus of the employees, LRQA guarantees that management systems become more efficient and effective.

What does LRQA offer?

We offer you a challenging and varied role, where you will visit large reputable companies. The diversity of assignments makes it fun and challenging for you to go out every time. LRQA is the organization to further expand your knowledge and to further specialize yourself. Of course, we also support you in obtaining and maintaining the required qualifications necessary to perform your job!
