

Success Factors Senior Consultant

[Apply Now](#)

Company: Istorm

Location: Antwerp

Category: computer-and-mathematical

FunctieomschrijvingWhat we're looking for:

A strong grasp of HR processes coupled with a passion for technology, or vice versa. We welcome individuals who are dedicated to understanding our clients' needs. Ideally, you possess experience at the Medior or Senior level.

SuccessFactors Associate Certification in one or more modules is preferred.

Demonstrated experience in customer-facing roles with excellent interpersonal skills.

Key responsibilities:

Conduct thorough customer process walkthroughs to comprehend business needs and align them with solution functionality.

Lead SuccessFactors projects, managing resources and deliverables throughout the project lifecycle.

Design and configure SuccessFactors systems according to HR best practices.

Ensure successful implementation of SuccessFactors while maintaining product standards.

Conduct workshops and training sessions for client key users.

Collaborate closely with team members to ensure seamless integration between modules.

Facilitate knowledge transfer to clients and application maintenance teams for ongoing

support.

Support pre-sales activities as needed.

ProfielWhat we're looking for:

A strong grasp of HR processes coupled with a passion for technology, or vice versa. We welcome individuals who are dedicated to understanding our needs.

Ideally, you possess experience at the Medior or Senior level.

SuccessFactors Associate Certification in one or more modules is preferred.

Demonstrated experience in customer-facing roles with excellent interpersonal skills.

Organisatie- en afdelingomschrijvingWe specialize in digital HR transformations. Our mission is to revolutionize HR organizations, empowering them to become strategic business partners through innovative technology. Join us in shaping the future of HR with cutting-edge cloud solutions!

AanbodWhat we offer:
Engaging work where you'll lead the implementation and evolution of digital HR solutions for our diverse clientele across Europe.

Competitive salary commensurate with your experience and performance, along with the flexibility to tailor your benefits package.

A dynamic work environment with flexible hours and remote work options.

Continuous learning and development opportunities, including access to seasoned colleagues, training programs, an extensive e-learning platform, and challenging projects.
