

Supply Chain and Operations Summer Internship

[Apply Now](#)

Company: OTIV

Location: Ghent

Category: business-and-financial-operations

Who we are

OTIV is a Ghent-based company leading the autonomous revolution in rail. We are on a mission to increase safety and efficiency of railway operations by teaching rail vehicles to drive autonomously. By making trains more efficient and safer, we actively contribute to a modal shift and a greener future. We bring this vision to life by a unique focus on the most challenging environments such as cities, shunting yards and industrial sites. Thanks to high-profile partners and world-leading clients such as Deutsche Bahn, SNCF Group, ArcelorMittal and CAF we deliver the future of railway operations today.

OTIV is an equal opportunity employer. We are committed to a work environment that supports, inspires, and respects all individuals and in which personnel processes are merit-based and applied without discrimination on the basis of race, color, religion, sex, sexual orientation, gender identity, marital status, age, disability, national or ethnic origin, military service status, citizenship, or other protected characteristic. OTIV strives to create an environment in which all employees feel confident in their ability to bring their authentic selves to work and secure collaborating with colleagues and customers.

What you will do

As the Supply Chain and Operations Summer Intern, you will be part of a fast-growing Business and Operations team located in Ghent (Belgium). You will get to know our current production and product implementation process. You will get the chance to take ownership in the standardization and optimization of processes like purchasing, inventory

and product implementation.
