

Survey Electronic Engineer

[Apply Now](#)

Company: DEME

Location: Belgium

Category: computer-and-mathematical

As a Survey Electronic Engineer you will support the Survey Department in HQ and on site, assisting the Senior Electronic Engineers in configuring survey equipment in the warehouse, preparing it for shipment and deploying this equipment on site.

You are expected to go abroad approx. 3-4 months per year, the rest of the time you will be working in Zwijndrecht.

You are responsible for maintenance, testing and repairs of the equipment and sensors used for positioning and depth finding.

You manage the incoming and outgoing equipment from our head office in Zwijndrecht.

The commissioning of survey support equipment on board of our vessels and cranes is also part of your job.

You hold a Bachelor's or Master's degree in electronics and have a good knowledge of PC hardware and control systems.

You are willing to work at Survey Department in Belgium and are prepared to travel abroad for short periods of time.

You are fluent both in Dutch and English.

An extensive mobility program for a healthy work-life balance

A permanent training track which allows you to develop yourself personally and professionally

A stimulating, innovative workplace with numerous growth opportunities

A people-oriented environment with an interactive health program and a focus on employee wellbeing
