Company: Telenet

Location: Belgium

Category: computer-and-mathematical

Working in the Telenet Finance-team

For the Group's headquarters, located in Mechelen, we are looking for a **Team Manager - Tax** to strengthen our finance team. This position will have direct involvement and responsibility in the management of all tax matters of the company. The manager will report to the VP Finance.

As our Team Manager Tax, you will direct and oversee Telenet's tax policies and objectives in Belgium and Luxembourg, monitor reporting and planning, and ensure compliance with applicable tax statutes. You are also lead point of contact with the global tax department of Liberty Global, Telenet's main shareholder.

Your tasks as our Team Manager - Tax

You will be responsible for all tax matters and represent the department towards senior management and other departments. You can clearly express your ideas and opinions, also towards a Board of Directors and/or Audit Committee. In this role you are responsible for all areas of tax, including transfer pricing, tax planning, tax reporting, and tax compliance processes throughout the group. You are also responsible for our (quarterly) closing processes (tax) and tax accounting (USGAAP/IFRS).

As Team Manager you will be the tax lead in relation to business projects and initiatives, including mergers & acquisitions. From this role, you can push the business forward, and provide tax advice and guidance in complex strategic projects. Other aspects of the job are:

Shaping and defining the tax strategy of the group, including coordinating with auditors and other tax professionals to develop strategies for dealing with tax issues and opportunities.

Providing the vision and overarching leadership to develop and strengthen the organizational tax capabilities. Demonstrating exemplary ability to formulate technical or strategic directions to drive change and opportunity.

Managing a team of professionals to develop the tax department further in a value creating environment.

Optimizing overall tax reporting and forecasting (incl. tax accounting) processes

Monitoring the tax compliance and tax reporting process of the foreign group entities and follow-up on their tax issues, in coordination with the local teams

What we have to offer

You will be joining a company that invests fully in you, adapting your work environment optimally to what you need. This will allow you to develop while taking care of your work-life balance. What else will we throw into the fray?

You are given every opportunity to further develop your expertise. We stimulate your personal growth with internal mobility opportunities and extensive learning possibilities, but we also give you the chance to press the pause button after a while or to go in a completely different direction.

A varied job in which you produce tangible results and make your mark.

A competitive gross monthly salary that we complement with a host of fringe benefits (meal vouchers, cell phone, company car, hospitalization insurance, telephone subscription, discounts on Telenet products, working from home up to 3 days a week, ...).

The fine company of colleagues who are as passionate as you. You will be part of a finance team operating in a highly challenging and fast-moving environment.

Our ideal Team Manager Tax...
