

Work Preparator Maintenance and Monitoring (Offshore Wind)

Apply Now

Company: EQUANS

Location: Antwerpen

Category: other-general

For our business unit Offshore Wind, more specific for our M&M (Maintenance and Monitoring team) situated in Hoboken (Antwerp), we are looking for a **Work Preparator Maintenance and Monitoring (Offshore Wind)**.

Your assignment & the main purpose of the position?

support of M&M project managers in the preparation of offshore interventions, with respect to necessary materials and tools, and preparation of RAMS

support to the Maintenance Engineer in the elaboration of RCA, and in the review of Operation and Maintenance manuals

support to the Construction and Engineering department on ad hoc base (e.g. preparation of FAT, MC and HAT protocols, assistance to FAT and HAT testing)

you have external contacts with suppliers, clients, subcontractors

you have internal contacts with all departments within Equans Offshore

What are your tasks as Work Preparator Maintenance and Monitoring?

prepare Purchase Requests and follow up PO and deliveries

prepare material and tool packages ready for shipment to offshore departure harbors

prepare RAMS documents

prepare first drafts of RCA under guidance of the Maintenance Engineer

prepare first drafts of FAT, MC, HAT protocols for discussion with System Engineers

review O&M manuals and summarize comments for discussion with the maintenance engineers and system engineers

follow up of tasks in Planner, and report to the management on a regular base

capture Lessons Learned and share them according to Equans procedures

What do you need?

you have a bachelors degree electromechanics or electricity

good knowledge of electricity and instrumentation

knowledge of common Office packages

knowledge of Offshore procedures is a plus

good insight in the processes and P&ID of the systems installed on the platform

practical knowledge of materials and its applications

able to work in a team and promoting team spirit

big awareness for in-time-delivery of materials, tools, documents

Dutch and good knowledge of English or French

International context, working abroad, working offshore, working during weekends, might occur.

Want to tackle tomorrows multi-technical challenges with us?

Then join our experts in the various **innovative** and **exciting projects** of Equans. You get the opportunity to use your **technical skills** as well as to discover **cutting-edge technologies** and help customers in the 3 major transitions of today: the energy transition, the industrial transition and the digital transition.

Joining Equans is more than that! You also get:

a **competitive salary** in line with your education and experience

interesting **training and career opportunities**

group-, hospitalization-, disability **insurance**

eco & **meal vouchers** , representation allowance, 13th month, holiday pay

lease car (with fuel card), bicycle lease plan

smartphone with subscription, internet fee

additional paid leave , seniority leave, homeworking

We are looking forward to meeting you!
